Subject: Joining Letter – Confirmation of Employment

Dear Ayush Tiwari,

We are pleased to confirm your joining with InnoProduct Systems Private Limited as a Product Engineer – Backend, effective from 24 June 2026, at our Bengaluru office.

InnoProduct Systems is a product-driven organization focused on building scalable, reliable, and customer-centric technology solutions. Your role will contribute directly to the development and evolution of our core products.

---

## **1** Role & Responsibilities

As a Product Engineer – Backend, your responsibilities will include:

- Designing and developing backend services for core products
- Ensuring performance, scalability, and reliability of systems
- Collaborating with product managers, frontend engineers, and QA teams
- Writing clean, maintainable, and well-documented code

Your responsibilities may evolve based on product and business requirements.

---

## **2** Reporting Structure

You will report to Mr. Arjun Malhotra, Engineering Lead, or any other person designated by the Company.

---

## **3** Nature of Employment

Your employment shall be full-time and permanent, subject to the terms of this letter and applicable company policies. You are expected to devote your full professional time and effort to the Company.

---

#### Probation Period

You will be on probation for a period of six (6) months from your date of joining. Upon satisfactory completion of probation, your employment shall be confirmed in writing.

---

#### Compensation & Benefits

Your compensation package, benefits, leave entitlements, and other allowances are detailed in your offer letter and governed by Company policy, as amended from time to time.

---

#### Intellectual Property & Confidentiality

You shall maintain strict confidentiality of all proprietary information, product designs, technical documentation, customer data, and trade secrets of InnoProduct Systems Private Limited.

All inventions, developments, and work products created during the course of your employment shall be the exclusive intellectual property of the Company, in accordance with applicable Indian laws.

---

#### Code of Conduct & Product Ownership

As a product-based organization, the Company places strong emphasis on:

- Code quality and ownership
- Long-term product thinking
- Responsible handling of user data

You are required to comply with all internal policies, security standards, and ethical guidelines.

---

## **8** Governing Law & Jurisdiction

This employment relationship shall be governed by and construed in accordance with the laws of India, and the courts of Bengaluru, Karnataka, shall have jurisdiction.

---

We look forward to your contribution in building impactful products and wish you a successful career with InnoProduct Systems Private Limited.

Warm regards,

For InnoProduct Systems Private Limited

Neha Kulkarni
